One, moment out of time
Someone finds a secret
Waiting behind
Knowing there's an end to a glory
End to our story
So good, so divine

Heart, listen to your beating
Never gonna stop
Unless there's a doubt
Never speak to someone that knows you
More than yourself
And the ghost that you hide

'Cause I'm in love
With a beautiful girl
She's the one, from the magical world
And I hold her now
When the rain starts to fall
I'm not afraid
I'm not afraid to move on

Lay down with someone strange
Dare to be the same, as always in time
Slowly seek the end at it's glory
Wherever to see, if it's gone
Deep inside

'Cause I'm in love
With a beautiful girl
She's the one from the magical world
And I hold her now
When the rain starts to fall
I'm not afraid
I'm not afraid to move on

I'm alone when the ghost starts to hunt
I'm alone, but I know I'm in love
With a beautiful girl
She's the one from the magical world
And I hold her now

When the rain starts to fall
I'm not afraid
I'm not afraid to move on
