Performed by: Haldor L  greid

Placing: 22nd

In tender years, the path seemed longer then it ever
really was

How could I know?

I realized, as time went by, I had to try, the world
outside was mine

You let me go

So I left and tried to find my way to paradise
The winding road that lead me there was life

I'm on my own again

Left all alone, where I belong

I'm an my own again

Left all alone

And now I've seen it all, I wouldn't change a day - when
curtains fall

I do my show

So at last I know I've found my one true paradise

The winding road that lead me there was life

I'm on my own again

Left all alone, where I belong

I'm an my own again

I'm on my own, on my own

(I'm on my own again)

(Left all alone, where I belong)

(I'm an my own again) On my own

(Left all alone) On my own, on my own again
