O cã©u ã s vezes foge
Procura outro lugar
Onde o Sol nã£o cabe
E a Lua nã£o quer ficar

De mar em mar, hey
Ver e vencer, hey
Amar, amar
Sempre, sempre, anyway
De mar em mar, hey
Ver e vencer
Amar, amar
Always, day by day

Sã³ quem nã£o quer amar
Olha sem verã€!

Happy pretty way
Happy shiny day
Happy place to stay
We can hold it together
Happy pretty way
Happy shiny day
Happy place to stay
We can hold it forever

Pretty people shining
A pretty place to stay
Brand new kind of face
I love you anyway

Fight for the love that I miss
Ask me to stay...

Happy pretty way
Happy shiny day
Happy place to stay
We can hold it together
Happy pretty way
Happy shiny day
Happy place to stay

We can hold it forever

Happy pretty way
Very shiny day
Happy place to stay
We can hold it together
Happy pretty way
Happy shiny day
Happy place to stay
We can hold it forever

De mar em mar
Ver e vencer
Amar, amar
Ask me to stay
Amar

Happy pretty way
Happy shiny day
Happy place to stay
We can hold it together
Happy pretty way
Happy shiny day
Happy place to stay
We can hold it forever

Pretty way
Happy, happy shiny day
A brand new day
Happy, happy place to stay
Pretty way
Happy, happy shiny day
A brand new day
Happy, happy place to stay
