Yeah

I'm keeping your smile on my mind every day
I'm feeling your touch on my face even while you're
away
Like when was together in that dream that could've
been so right, hey
Like when was together in that dream that could've
been so right

Torneră², torneră²
La mia vita ti dară²
Tornerai, tornerai
Mia per sempre tu sarai

Torneră², torneră²
La mia vita ti dară²
Tornerai, tornerai
Mia per sempre tu sarai

I wonder why I should feel so empty these days
I wonder why I should fall now while you're away
We'll dance together in that dream that could've been
so right, hey
We'll dance together in that dream that could've been
so right

Torneră², torneră²
La mia vita ti dară²
Tornerai, tornerai
Mia per sempre tu sarai

I'm keeping your smile in my mind
I'm feeling your touch on my face
I just really miss you and I wanna kiss you
And I wonder why, why I didn't know
And I wonder why I didn't know

Torneră², torneră²
La mia vita ti dară²
Tornerai, tornerai

Mia per sempre tu sarai

TornerÃ², tornerÃ²

La mia vita ti darÃ²

Tornerai, tornerai

Mia per sempre tu sarai
