Performed by: Sedat Y nce

Placing: 11th

Her  rk mda, her hecemde, sensiz ge sen her gecemde

Sen vars n, hep sen yine, kalbim titrer sen yoksun diye

Bitmeyen uzun yollarda, ya murda g z

ya lar mda

Sen vard n, ah... sen yine, i sim s zlar sen yoksun diye

Son defa d n bir bak ard na

Ne kald  geriye h zn nden ba ka?

Ne olursun d n bir kez bak ard na

Kollar m a k beklerken, sevgim yollarda

 syanlarda, whoa...

Bu g n l her an seni ac yla ya ayan

Deliler gibi seni y rekte ta  yan

So far away, so far apart, lonely am I, my love, tonight

Longing for all I left behind, precious moments I no longer find

Love has gone, memories - they fade away

Nothing more left for me but only to say

I still love you, please come back, my lonely heart

Keeps calling you back, once again

I feel that old pain, lonely am I now, tonight

Oh...
