Oooohh

Aaaahh

Give me your love

I can be the one you love forever

I can be the dream of your heart

Every single moment

I'm thinking of you

I wish you felt the same way that I do

Give me your love

Give me all of your love

I'm the one for you

Try to believe me

I just wanna be

There by your side

Give me your love

Give me all of your love

When the morning comes

I've waited tonight and

It feel so right

Give me your love

You can turn the winter into summer

You can be my wonder every day

Every time I see you

I just wanna hold you

I wished you felt the same way that I do

Give me your love

Give me all of your love

I'm the one for you

Try to believe me

I just wanna be

There by your side

Give me your love

Give me all of your love

When the morning comes

I've waited tonight and

It feel so right
Give me your love

Sometimes I think that you're an angel
And it's plain to see that you can rescue me
Rescue me

Give me your love
Give me all of your love
I'm the one for you
Try to believe me
I just wanna be
There by your side

Give me your love
Give me all of your love
When the morning comes
I've waited tonight and
It feel so right
Give me your love
