Performed by: Malene W. Mortensen

Placing: 24th

Morning light breaking darkness, bringing dawn on
again

I can feel you are restless, I'm afraid for day to begin

You are here, still around me, but your mind goes
runnin' free

Tell me who you are, show me what to do

Let me be the one that you hold on to

Open up your heart, let me look inside

Baby, we'll go wrong if you try to hide

So tell me who you are

Not a word, not a whisper, I'm confused, feelin' low

In my dreams - sweet surrender, through your arms -
like a river I flow

You are here, still around me, but your mind goes
runnin' free

Tell me who you are, show me what to do

Let me be the one that you hold on to

Open up your heart, let me look inside

Baby, we'll go wrong if you try to hide

So tell me who you... tell me who you are

You are here, still around me, but your mind goes
runnin' free

Oh...

(Tell me who you are, show me what to do)

Tell me who you are

(Let me be the one that you hold on to)

Let me be the one you hold on to

(Open up your heart, let me look inside)

Open up your heart and let me look inside

(Baby, we'll go wrong if you try to hide)

Baby, we'll go wrong if you hide

Tell me who you are, show me what to do

Let me be the one that you hold on to
Open up your heart, let me look inside
Baby, we'll go wrong if you try to hide
So tell me who you are
