Con galapa con galapei
Con bitele con bite le leina
Con bitele con bite le leina

There is a way
To understand without a language
Don't be afraid
There are words to find in the place you hide
Speak your mind
And explain yourself today

Amambanda amambanda
Amambanda gwena mambanda
Amambanda amambanda
Gwena mamba gwena mamba

Con galapa con galapei elele
Con galapa con galapei
Con bitele con bite le leina
Con bitele con bite le leina

You're here to stay
So move your body everybody
There's no shame
There are words to find in the place you hide
Know the way
And trust yourself today

Amambanda amambanda

Amambanda gwena mambanda

Gwena mamba gwena mamba
Amambanda amambanda
Amambanda gwena mambanda

Con goelapoe lei toendaja
Maja gwena maja gwena
Maja gwena maja gwena
Lama coe toele toendei
Lama coe toele toendei
Maja gwena maja gwena
Maja gwena maja gwena

Con galapa con galapei
Con galapa con galapei
Con galapa con galapei elele
Con galapa con galapei

There is a way
To understand without a language
Don't be afraid
Use the words you've found
Dance around
Just a simple way
To be yourself today

Amambanda amambanda
Amambanda gwena mambanda
Amambanda amambanda
Gwena mamba gwena mamba
Amambanda amambanda
Amambanda gwena mambanda
Amambanda amambanda
Gwena mamba gwena mamba
