Razom nas bahato, nas ne podolaty
Razom nas bahato, nas ne podolaty
Razom nas bahato, nas ne podolaty
Razom nas bahato, nas ne podolaty

We won't stand this (No), revolution is on
'Cause lies be the weapon of mass destruction
All together we're one, all together we're strong
God be my witness, we've waited too long

Falsifikatsiyam (Ni), mahinatsiyam (Ni)
Ponyatiyam (Ni), ni brehni
Virimo (Tak), mozhemo (Tak)
Znayu peremozhemo (Tak, tak)

Razom nas bahato, nas ne podolaty
Razom nas bahato, nas ne podolaty
Razom nas bahato, nas ne podolaty
Razom nas bahato, nas ne podolaty

What you wanna say to your daughters and sons
You know the battle is not over till the battle is won
Truth be the weapon, we ain't scared of the guns
We stay undefeated, 'cause together we're one

Mi - vzhe razom, mi - nazavzhdi
Mi - Ukraini don'ki i siny
Zaraz yak nikoli, godi chekati
Razom nas bahato, nas ne podolaty

Razom nas bahato (Jest nas wielu)
Nas ne podolaty (Nas nie pokonacie)
Razom nas bahato (Alle wir in allem)
Nas ne podolaty (Sind wir nicht zufallen)

Razom nas bahato (Si estamos juntos)
Nas ne podolaty (Somos invencibles)
Razom nas bahato (V ednote ja nase sila)
Nas ne podolaty (V ednote ja nase sila)

Razom nas bahato (Le peuple uni)

Nas ne podolaty (Ne sera jamais vaincu)
defeated)
Razom nas bahato
(Vmeste my ediny, my nepobedimy)

Razom nas bahato (Razom)
Nas ne podolaty (Nas ne podolaty)
Razom nas bahato (Razom)
Nas ne podolaty(Razom nas bahato)

Razom nas bahato (Razom)
Nas ne podolaty (Nas ne podolaty)
Razom nas bahato (Razom)
Nas ne podolaty (Razom nas bahato)

Razom nas bahato (Razom)
Nas ne podolaty
