Do you really wanna feel my flow, woh oh oh
You know it's the only way to go so get with the show
Are you the kinda guy whos got that flare, yeah

Get your groove on
Get a move on
Whoa yeah

Touch my fire, can you feel the heat?
My crazy rhythm's gonna knock you off your feet
Come on and touch my fire, why don't you break away?
Burn all your troubles, say goodbye to yesterday

Are you easy come and easy go, woohh
Come on let the music grab ya from your head to your
toes
No need to rush take it nice and slow, feel that beat

Get your groove on
Get a move on
Whoa yeah

Come with me, I'll take you there
Touch my fire

Touch my fire, can you feel the heat?
My crazy rhythm's gonna knock you off your feet
Come on and touch my fire, why don't you breakaway?
Burn all your troubles, say goodbye to yesterday
Touch my fire, can you feel the heat?
My crazy rhythm's gonna knock you off your feet
Come on and touch my fire, why don't you breakaway?
Burn all your troubles, say goodbye to yesterday

Touch my fire
Touch my fire
Come on and touch
Come on and touch my fire...
Touch my fire

Touch my fire, can you feel the heat?

My crazy rhythm's gonna knock you off your feet
Come on and touch my fire, why don't you breakaway?
Burn all your troubles, say goodbye to yesterday
Touch my fire, can you feel the heat?
My crazy rhythm's gonna knock you off your feet
Come on and touch my fire, why don't you breakaway?
Burn all your troubles, say goodbye to yesterday

Touch my fire
