We both made the same mistakes
And believe me, I know it
I've come to depend on you
In my eyes, can you see?
That someone's still hurting me?
What can I say?
That will make up for letting you down?
I just want you to know

So come back (come back)
If you love me
How will I survive without you?
(Without you)
Baby, come back (come back)
If you need me

Maybe I was wrong
And I tried to pretend, but
Always in my heart
I know that I want you
Come back?

Tomorrow's another day, still I
Can't believe that I told you
And that was my big mistake
Every hour, every day
What can I do to make it through?
Oh, the days seem so long
I miss you so bad
And it's breaking my heart

So come back (come back)
If you love me
(How will I survive?)
How will I survive without you?
(Without you?)
Baby, come back (come back)
If you need me
(How will I survive?)
How will I survive without you?
(Without you, without you?)

Baby, come back (come back)
If you need me

Maybe I was wrong
And I tried to pretend, but
Always in my heart
I know that I want you
Come back (come back)
Before you break my heart

Oh, come back?
