Half the world is hungry  
Just through being born  
And every day is a compromise  
For a grain of corn

And half the world have too much  
Their only hunger is their greed  
Through politics and ignorance  
Half the world's in need

A message to your heart  
It's alright  
Say a little prayer  
And sleep tonight, oh...  
Tomorrow you'll still be in paradise, oh...

A message to your heart  
Walk on by  
Till you hear the voice  
Of conscience cry, oh...  
There but for the grace of God, go on

Half the world is lucky  
Born in paradise  
But they don't see the children  
With hunger in their eyes  
And the time has come for changes  
Though for some it's much too late  
There's got to be an answer  
The hungry cannot wait

A message to your heart  
It's alright  
Say a little prayer  
And sleep tonight, oh...  
Tomorrow you'll still be in paradise, oh...

A message to your heart  
Walk on by  
Until you hear the voice  
Of conscience cry, oh...

There but for the grace of God, go on

Oh... a message to your heart

Walk on by

Till you hear the voice of conscience cry, oh...

There but for the grace of God, go on

There but for the grace of God, go on!

(A message to your heart)
