I know we're far away
A million miles
I know that we can't
See your eyes
But just for you we wrote this happy song
Now everybody sing along

We all
Wanna brave the hottest heights
Wanna fly to highest skies
Wanna see a million smiles

We all
Wanna hold each other's hands
Wanna laugh and sing and dance
We're together
We're best friends

And if we're watching different TV news
Or different languages we use
That doesn't matter
Love is common thing
Now we're together
Let us sing

We all
Wanna brave the hottest heights
Wanna fly to highest skies
Wanna see a million smiles

We all
Wanna hold each other's hands
Wanna laugh and sing and dance
We're together
We're best friends

We all
Wanna brave the hottest heights

Wanna fly to highest skies
Wanna see a million smiles

We all
Wanna hold each other's hands
Wanna laugh and sing and dance
We're together
We're best friends
