Underneath this canopy of snow  
Where fifty-seven winters  
Took their toll  
Where did you go?

And I believed in you  
I believed in you  
Like Elvis Presley singing psalms on a Sunday  
Where did you go?

Well she's gone to meet her maker  
Back to where she came from  
Come to save her soul  
Come to save her soul  
Come to take her home  
'Cause it's late and past your bedtime  
Well past bedtime

Angel, my angel  
Fly over me, angel  
Angel, my angel  
Fly over me, angel

She took her life within her hands  
She took her life within her own two hands  
And no one can tell her  
What to do now

And I believed in you  
I believed in you  
Like Elvis Presley singing live from Las Vegas  
Where did you go?

Well she's gone to meet her maker  
Back to where she came from  
Come to save her soul  
Come to save her soul  
Come to take her home  
'Cause it's late and past your bedtime  
Well past bedtime

Angel, my angel

Fly over me, angel  
Angel, my angel  
Fly over me, angel

Close your eyes  
Go to sleep  
Forever in my heart  
I'll keep you safe, forever  
I'll keep you safe

Angel, my angel  
Angel, my angel

Angel, my angel  
Fly over me, angel  
Angel, my angel  
Fly over me, angel

Angel, my angel  
Fly over me, angel
