Don't touch me
Don't talk to me about it
Don't touch me
Don't talk to me ever again

I don't feel anything
All sensation is closed to me
I saw you put the needle in
I can still see everything

Don't touch me
Don't talk to me about it
Don't touch me
Don't talk to me ever again

Take me to a quiet place
Throw me in the water
Watch the bubbles surface as I'm
Slowly sinking under

Don't touch me
Don't talk to me about it
(Don't touch me)
Don't touch me
Don't talk to me ever again

Don't touch me
Don't talk to me about it
Don't touch me
Don't talk to me ever again

Don't touch me
Don't talk to me about it
(Don't touch me)
Don't touch me
Don't talk to me ever again

Don't touch me
Don't talk to me about it
Don't touch me
Don't talk to me ever again

Don't touch me
Don't talk to me about it
(Hey don't talk to me)
Don't touch me
