Listen to
Listen to
Listen to
I love to, listen to
I love to, listen to
I love to, listen to
I love to

Take a girl like that
And put her in a natural setting
Like a cafe, for example
Along comes the boy
And he's looking for trouble

With a girl like that
With a girl like that
Who knows what they'll decide to do?
Who knows what they'll get up to?
I'd love to know
Wouldn't you?

I love to, listen to
Love to, listen to
I love to, listen to
I love to
I love to, listen to Beethoven
I love to, listen to Beethoven
I love to, listen to Beethoven
I love to

You think you know just what you want
But you have used that weapon against me
Did I tell you I was lying by the way?
When I said, "I wanted a new mink coat"

I was just thinking about something sleek
To wrap around my tender throat
I was dreaming like a Texan girl
A girl who thinks she's got the right to everything
A girl who thinks she should have something extreme

I love to, listen to

I love to, listen to
I love to, listen to
I love to
I love to, listen to Beethoven
I love to, listen to Beethoven
I love to, listen to Beethoven
I love to

Beethoven
I love to
Beethoven

I love to, listen to Beethoven
I love to, listen to Beethoven
I love to, listen to Beethoven
I love to, Beethoven
I love to, listen to Beethoven
I love to, listen to Beethoven
I love to, listen to Beethoven
I love to

I love to, listen to Beethoven
I love to, listen to Beethoven
