Heaven
Is the home of all hearts
And heaven
Won't tear you apart
Yeah, heaven
Is the home of all hearts
And heaven
Don't tear you apart
There's too many cares
Wanna hold you down
And the world is a window
Gone underground
There's a hole in the sky
Where the sun don't shine
And the clock on the wall
And it counts my time
Heaven
Is the home of all hearts
And heaven
Don't tear you apart
There's a song on the air
With a long pure line
And a face in the glass
And it looks like mine
And I'm standing on ice
When I say that I don't hear planes
Wanna scream at walls
I wanna jump my chain
Heaven
Let me take you up
Take you higher
Take you up to the place
Where you're gonna find peace
Peace in your heart
Peace in your heart
You won't have to suffer
You won't suffer
There's a place in your heart
Place in your heart
Where there's peace
Peace in your heart
Peace in your heart
