Have you ever heard the sound of disappointment?  
It tangles your head like a winter rose  
Comes up eager and shining  
And it likes to leave a scar before it goes

Here comes that sinking feeling  
Here comes that sinking feeling  
Here comes that sinking feeling  
Here comes that sinking feeling

Nobody hurts me like you do  
You cut into me like a poison dart  
Creep into my sleep at night  
Break into my dreams and tear them apart

Here comes that sinking feeling  
Here comes that sinking feeling  
Here comes that sinking feeling  
Here comes that sinking feeling

Have you ever felt the sound of disappointment?  
It pounds in your head like hammer blows  
Comes on gentle and smiling  
And it likes to leave a scar

Here it comes  
Here it comes again  
Here it comes  
Here it comes again  
Here it comes  
Here it comes again  
Here it comes  
Here it comes again

Here comes that sinking feeling  
Here comes that sinking feeling  
Here comes that sinking feeling  
Here comes that sinking feeling

Here comes that sinking feeling  
Here comes that sinking feeling
