Here comes the rain again
Falling on my head like a memory
Falling on my head like a new emotion

I want to walk in the open wind
I want to talk like lovers do
I want to dive into your ocean
Is it raining with you?

So baby talk to me
Like lovers do
Walk with me
Like lovers do
Talk to me
Like lovers do

Here comes the rain again
Raining in my head like a tragedy
Tearing me apart like a new emotion

Oh, I want to breathe in the open wind
I want to kiss like lovers do
I want to dive into your ocean
Is it raining with you?

So baby talk to me
Like lovers do
Walk with me
Like lovers do
Talk to me
Like lovers do

So baby talk to me
Like lovers do

(Here it comes again)
Here comes the rain again
Falling on my head like a memory
Falling on my head like a new emotion
(Here it comes again, here it comes again)

I want to walk in the open wind

I want to talk like lovers do
I want dive into your ocean
Is it raining with you?

(Here it comes again)
Here comes the rain again
Falling on my head like a memory
Falling on my head like a new emotion

I want to walk in the open wind
I want to talk like lovers do
I want dive into your ocean
Is it raining with you?

Here comes the rain again
Falling on my head like a memory
Falling on my head like a new emotion
