Hey, is this my turn?
You want me to sing now?
Okay

I don't care if you won't talk to me
You know I'm not that kind of girl
And I don't care if you won't walk with me
It don't give me such a thrill

And I don't care about the way you look
You should know I'm not impressed
'Cause there's just one thing that I'm looking for
And he don't wear a dress

I need a man
I need a man
I need a man
I need a man

Baby, baby, baby don't you shave your legs
Don't you double comb your hair
Don't powder puff just leave it rough
I like your fingers bare

When the night comes down
I can turn it round, I can take you anywhere
I don't need love forget that stuff
You know that I don't care

I need a man
I need a man
I need a man
I need a man

I don't need a heartbreaker, fifty-faced trouble maker
Two timing time taker, dirty little money maker
Muscle bound cheap skate, low down woman hater
Triple crossing, double dater, yella bellied alligator

I don't care if you won't talk to me
You know I'm not that kind of girl
And I don't care if you won't walk with me

It don't give me such a thrill

And I don't care about the way you look
You should know I'm not impressed
'Cause there's just one thing that I'm looking for
And he don't wear a dress

I need a man, leave me alone
I need a man, don't take me home
I need a man, baby you are just all the blonde

Hey boy c'mon
I'll take you anytime
Baby, baby, baby
