Monday finds you like a bomb
It's been left ticking there too long
You're bleeding

Some days there's nothing left to learn
From the point of no return
You're leaving

Hey, hey, I saved the world today
Everybody's happy now
The bad thing's gone away

And everybody's happy now
The good thing's here to stay
Please let it stay

There's a million mouths to feed
But I've got everything I need
I'm breathing

And there's a hurting thing inside
But I've got everything to hide
I'm grieving

Hey, hey, I saved the world today
And everybody's happy now
The bad thing's gone away

And everybody's happy now
The good thing's here to stay
Please let it stay
Let it stay, let it stay

Doo, doo, doo, doo, doo, the good thing

Hey, hey, I saved the world today
And everybody's happy now
The bad thing's gone away

And everybody's happy now
The good thing's here to stay
Please let it stay

Hey, hey, I saved the world today
And everybody's happy now
The bad thing's gone away

And everybody's happy now
The good thing's here to stay
Please let it, ooh let it
