Monday finds you like a bomb
That's been left ticking there too long,
You're Bleeding.

Some days, there's nothing left to learn
From the point of no return,
You're leaving.
Hey, Hey, I saved the world today...
Everybody's happy now,
The bad thing's gone away.
And everybody's happy now
The good thing's here to stay
Please let it stay.
There's a million mouths to feed
I got everything I need,
I'm breezing.

There's a hurting thing inside
And I've got everything to hide.
You're breathing.
Hey, Hey, I saved the world today...
And everybody's happy now,
The bad thing's gone away.
And everybody's happy now
The good thing's here to stay
Please let it stay.
Doo dee dooo dooo doooooo
The good thing...
Hey, Hey, I saved the world today...
Everybody's happy now,
The bad thing's gone away.
And everybody's happy now
The good thing's here to stay
Please let it stay.

Hey, Hey, I saved the world today...
(Everybody's happy now)
Everybody's happy now,
The bad thing's gone away.
(So happy now)
And everybody's happy now
The good thing's here to stay

Please let it stay.
