He was the kinda guy, I liked the way he looked
Had a red silk tie, he had a forties suit
And I said, "You're the kind of person, I've been
longing to adore
You're the kind of person, I've been waiting for"

He said, "The time is right to take a chance
'Cause I'm looking for a brand new romance
So come on baby let's go outside
I've got a car in the drive and we can take a ride"

So let's go, I wanna fall in love, ooh hoo
Let's go, yeah I wanna fall in love, ooh hoo
Let's go, yeah I wanna fall in love, ooh hoo
Let's go, yeah I wanna fall in love, ooh hoo

Well, we went driving for an hour or so
Till we took the little Chevy down to Mexico
And I said, "Blue eyed boy, you know I love the way you
look
Why don't we find a preacher, who can get us hooked?"

You know the time is right to take a chance
'Cause I'm looking for a brand new romance
And the great big moon was a shinin' down"
He said, "Forget about the preacher man, let's do it on
the ground!"

Let's go, I wanna fall in love, ooh hoo
Let's go, yeah I wanna fall in love, ooh hoo
Let's go, now I wanna fall in love, ooh hoo
Let's go, now I wanna fall in love, ooh hoo

Oh, let's go, now
Let's go, now
Let's go, now
Let's go, now
Let's go, now

Let's go, yeah I wanna fall in love, ooh hoo
Let's go, yeah I wanna fall in love, ooh hoo
Let's go, yeah I wanna fall in love, ooh hoo

Let's go, yeah I wanna fall in love, ooh hoo

Oh, let's go, yeah
