He was the kinda guy, I liked the way he looked
He had a red silk tie, he had a forties suit
And I said, "You're the kind of person I've been longing
to adore
You're the kind of person I've been waiting for"

He said, "The time is right to take a chance
'Cause I'm looking for a brand new romance
So come on baby let's go outside
I've got a car in the drive and we can take a ride"

So let's go, I wanna fall in love
Let's go, I wanna fall in love
Let's go, I wanna fall in love
Baby let's go, I wanna fall in love

Well, we went driving for an hour or so
Till we took the little Chevy down to Mexico
And I said, "Blue eyed boy, you know I love the way you
look
Why don't we find a preacher who can get us hooked?"

You know the time is right to take a chance
'Cause I'm looking for a brand new romance"
And the great big moon was shinin' down
He said, "Forget about the preacher man, let's do it on
the ground"

Let's go, I wanna fall in love
Baby let's go, I wanna fall in love
Honey let's go, I wanna fall in love
Let's go, I wanna fall in love

Let's go, baby let's go
Baby let's go, let's go
