La da di da-da da-da da
Da-da da-da
La da di da-da da-da da
Da-da da-da, yeah

Main:
No one on earth could feel like this
I'm thrown and overblown with bliss
There must be an angel
Playin' with my heart, yeah

I walk in to an empty room
And suddenly my heart goes BOOM
It's an orchestra of angels
And they're playin' with my heart, yeah

Chorus:
Must be talkin' to an angel

Main

And when I think that I'm alone
It seems there's more of us at home
It's a multitude of angels
And they're playin' with my heart, yeah

Chorus

Bridge:
I must be hallucinating
Watching angels celebrating
Could this be reactivating?
All me senses dislocating?
This must be a strange deception
By celestial intervention
Leavin' me the recollection
Of your heavenly collection

(Instrumental)

Chorus repeats until fade
