Stop the world
Turn out the sun
I'm so tired of it turning Around
Stop the world
Call it a day
Leave it all behind
Leave it that way

Peace
Is just a word
Is just a word
Peace
Is just a word
Yeah

Stop the world
Just let it bleed
Well we've taken more
Than everything we need

Stop the world
Just shut it down
(Just shut it down shut it down)
There's no point in it
Spinning Around

I'll tell ya that
Peace
Is just a word
Is just a word

Let me tell ya that
Peace
Is just a word
Yeah

Oooh Oooh

Stop the world
Take it anywhere
It's just that
Living here is

More than I can bear

Stop the world
Just pack it in
Well we've reached the point
When no one ever wins
No one ever wins!

Peace is just a word
