Show me an honest man
Show me an honest man
I'll show you a woman at ease
I'll show you a woman at ease
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Show me an innocent girl
Show me an innocent girl
I'll show you a man of peace
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Show me a wicked child
I'll show you a lack of love

Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Our life could be
Are you satisfied?
Show me the fear or God
