How many sorrows do you try to hide in a world of
illusion that's covering your mind?
I'll show you something good, oh I'll show you
something good
When you open your mind you'll discover the sign that
there's something you're longing to find
The miracle of love will take away your pain when the
miracle of love comes your way again
Cruel is the night that covers up your fears
Tender is the one that wipes away your tears
There must be a bitter breeze to make you sting so
viciously
They say the greatest coward can hurt the most
ferociously
I'll show you something good, oh I'll show you
something good
If you open your heart you can make a new start when
your crumbling world falls apart
The miracle of love will take away your pain when the
miracle of love comes your way again
The miracle of love ((Must take a miracle) Must take a
miracle), will take away your pain (Must take a miracle)
When the miracle of love (Must take a miracle (A
miracle)), comes your way again (Must take a miracle)

The miracle of love will take away your pain (In this
heartless world)
When the miracle of love comes your way again (And
now it lasts, I now it lasts)
The miracle of love will take away your pain (People
turn and hurt you, they try to hurt you if they could)
When the miracle of love comes your way again (And it
must take a miracle)
The miracle of love (Must take a miracle), will take
away your pain (Must take a miracle)
When the miracle of love (Must take a miracle), comes
your way again (Must take a miracle)
The miracle of love (Must take a miracle), will take
away your pain (Must take a miracle)
When the miracle of love (Must take a miracle), comes
your way again (Must take a miracle)
The miracle of love (Must take a miracle), will take

away your pain (Must take a miracle)
When the miracle of love (Must take a miracle), comes
your way again
