You gave me such a bad time
Tried to hurt me, but now I know

Thorn in my side
You know that's all you ever were
A bundle of lies
You know that's all that it was worth

I should have known better
But I trusted you at first
I should have known better
But I got what I deserved

To run away from you
Was all that I could do
To run away from you
Was all that I could do

To run away from you
Was all that I could do
To run away from you
Was all that I could do

Thorn in my side
You know that's all you'll ever be
So don't think you know better
'Cause that's what you mean to me

I was feeling complicated
I was feeling low
Now every time I think of you
I shiver to the bone

To run away from you
Was all that I could do
To run away from you

To run away from you
Was all that I could do
To run away from you
Was all that I could do
