Don't ya worry if you're lonely baby
I'm at your door...
Put your trouble down
Upon me baby
That's what I'm for...

People like us
Are too messed up
To live in solitude
I'm gonna cure that problem baby
I'm gonna fix it good...

We two are one
We two are one

Don't ya know I really love you baby
And that is sure...
All the groovy things
About you baby
Make me feel secure...

People like us
Are strong enough
To hold ourselves together
Keep the sky from fallin' down
Yea -
We're gonna live forever...

We two are one
We two are one

So put your lovin' arms
Around me baby
And hold me tight...
Give it everything
You've got now baby
We'll get it right...

People like us
Are too messed up
To live in solitude
I'm gonna cure that problem baby

I'm gonna fix it good

We two are one

We two are one
