Don't you worry
If you're lonely, baby
I'm at your door

Put your trouble
Down upon me, baby
That's what I'm for

People like us
Are too messed up
To live in solitude, yeah

I'm gonna cure
That problem, baby
I'm gonna fix it good
Ooh yeah, yeah

We two are one
Yeah, hey, yeah, hey
We two are one

Don't you know
I really love you, baby?
And that is sure

All the groovy things
About you, baby
Make me feel secure

And people like us
Are strong enough
To hold ourselves together

Keep the sky
From fallin' down, yeah
We're gonna live forever

We two are one
Yeah, hey, yeah, yeah
We two are one

Put your lovin' arms

Around me, baby
And hold me tight

Give it everything
You've got now, baby
We'll get it right

People like us
Are too messed up
To live in solitude, yeah

I'm gonna cure
That problem, baby
I'm gonna fix it good, ooh yeah

We two are one
We two are one
We two are one
We two are one

I love you, I love you, I love you
I really love you, I really love you
We two are, we two are, we two are
We two are, we two are
