Underneath your dream lit eyes  
Shades of sleep have driven you away  
The moon is pale outside  
And you are far from here

Breathing shifts your careless head  
Untroubled by the chaos of our lives  
Another day, another night  
Has taken you again my dear

And you know that I'm gonna be the one  
Who'll be there when you need, someone to depend  
upon

When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)

Last night, while you were lying in my arms  
And I was wondering where you were  
You know you looked just like a baby  
Fast asleep in this dangerous world

Every star was shining brightly  
Just like a million years before  
And we were feeling very small  
Underneath the universe

And you know that I'm gonna be the one  
Who'll be there when you need, someone to depend  
upon

When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes

(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)  
Oh, yeah

Oh, oh, yeah  
And you know that I'm gonna be the one  
Who'll be there when you need someone to depend  
upon

When tomorrow comes oh yeah  
(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes oh  
(Wait till tomorrow comes, yeah yeah)  
When tomorrow comes  
(Wait till tomorrow comes, yeah yeah)  
I can't wait, I can't wait, I can't wait  
When tomorrow comes, oh yeah  
(Wait till tomorrow comes, yeah yeah)  
I can't wait till tomorrow comes baby, oh

Baby, no no  
(I wanna be with you, when tomorrow comes)  
I wanna be with you, when tomorrow comes
