When I get the blues gonna give me a rockin' chair
When I get the blues gonna give me a rockin' chair
When the blues overtake, gonna rock rock away from
here
When I get lonesome, I get right on the telephone
Call my baby, and tell her I'm gonna come back home
I say little darling, please have my dinner ready

Flip, flop and fly
I don't care if I die
Flip, flop and fly
I don't care if I die
Don't ever leave me
Don't ever say goodbye

Here comes by baby, flashing a new gold tooth
Here comes by baby, flashing a new gold tooth
If she shows more, she can rock home with the bacon
too
I've got a Mississippi bullfrog sitting on a hollow stone
I've got a Mississippi bullfrog sitting on a hollow stone
I've got to work for this guy - I don't know which way to
turn
Flip, flop and fly
I don't care if I die
Flip, flop and fly
I don't care if I die
Don't ever leave me
Don't ever say goodbye

Give me one last kiss and hold it a long long time
Give me one last kiss and hold it a long long time
I wanna feel that kiss till my head run feels like wine

Flip, flop and fly
I don't care if I die
Flip, flop and fly
I don't care if I die
Don't ever leave me
Don't ever say goodbye
