Hey folks  
here's the story 'bout Minnie the Moocher  
She was a low-down Hoochie Koocher

She was the roughest toughest frail  
But Minnie had a heart as big as a whale

She messed around  
with a bloke named smokey  
She loved him though he was cokey

He took her down to Chinatown  
And showed her how to kick  
the gong around

She had a dream  
about the King of Sweden  
He gave her things  
that she was needin'  
He gave her a home  
built of gold and steel  
A diamond car  
with the platinum wheels

He gave her is townhouse  
and his racin' horses  
Each meal she ate  
was a dozen courses  
Had a million dollars  
worth of nickels and dimes  
She sat around  
and counted them all a million times
