Bow bow bow...

(Um, do that again)

Bow bow bow...

Have you ever heard of a wish sandwich?
A wish sandwich is the kind of a sandwich
where you have two slices of bread and you,
hee hee hee, wish you had some meat...

Bow bow bow...

Ummm... the other day I had a ricochet biscuit.
A ricochet biscuit is the kind of a biscuit that's
supposed to bounce back off the wall into your mouth.
If it don't bounce back... you go hungry!

Bow bow bow...

Umm, umm, umm... the other day I had a cool water
sandwich and a Sunday-go-to-meetin' bun...

Bow bow bow...

Hee hee hee hee... What da ya want for nothing? ...
a rubber biscuit?

Bow bow bow...
