Think (think) think (think) think (think) think (think)
You think (think) think (think) think about it
You better think (think) think about what you're trying to
do to me
Yeah, think (think, think), let your mind go, let yourself
be free
Let's go back, let's go back, let's go way on back when
I didn't even know you, you couldn't have been too
much more than ten
I ain't no psychiatrist, I ain't no doctor with a degree
It don't take too much high IQ's to see what you're
doing to me
You better think (think) think about what you're trying to
do to me
Yeah, think (think, think), let your mind go, let yourself
be free

Oh freedom (freedom), freedom (freedom), freedom,
yeah freedom
Freedom (freedom), freedom (freedom), freedom, oh
freedom

Hey, think about it
You, think about it

There ain't nothing you could ask I could answer you
but I won't (I won't)
I was gonna change, but I'm not, to keep doing things I
don't
Hey think about what you're trying to do to me
Baby, think, let your mind go, let yourself be free

People walking around everyday, playing games that
they can score
Trying to make other people lose their minds, be
careful you don't lose yours

Yeah think (think) think about what you're trying to do
to me
Yeah, yeah, yeah, yeah (think, think), let your mind go,
let yourself be free

You need me (need me) and I need you (don't you know)
Without eachother there ain't nothing people can do
Yeah yeah, think about me (what you're trying to do to me)
'Till the fall of the night, think about it right now

Oh freedom (freedom), freedom (freedom), freedom,
yeah freedom
Freedom (freedom), freedom (freedom), freedom,
freedom

Hey, you, think about it

There ain't nothing you could ask I could answer you
but I won't (I won't)
I was gonna change, but I'm not, if you keep doing
things I don't

Yeah (think) think about what you're trying to do to me
Baby, think (think, think), let your mind go, let yourself
be free

You need me (need me) and I need you (don't you know)
Without eachother there ain't nothing people can do

Yeah yeah, think about me (what you're trying to do to me)
'Till the fall of the night, think about it baby
(Think about - ah me, think about - ah me, think about -
ah me, think about it)
(Think about - ah me, think about - ah me, think about -
ah me, think about it)
(Think about - ah me, think about - ah me, think about -
ah me, think about it)
(Think about - ah me, think about - ah me, think about -
ah me, think about it)
You had better stop and think before you think
Think!
