I was dancing with my darlin' to the Tennessee Waltz  
When an old friend I happened to meet.  
I introduced her to my darling, and while they were  
dancing,  
My friend stole my sweetheart from me.

I remember the night and the Tennessee Waltz,  
I'm knowing now just what I have lost.  
Yes, I've lost my little darlin'  
The night they were playing the beautiful Tennessee  
Waltz

I remember the night and the Tennessee Waltz,  
I'm knowing now just what I have lost.  
Yes, I've lost my little darlin'  
The night they were playing the beautiful Tennessee  
Waltz  
Oh, the beautiful Tennessee Waltz.
