I saw the shadows fall
I know just what I saw
didn't see anything at all
will it ever be the same
Some things you can just slip by
I'm standing on a broken glass
I know but I have to ask
(this is how we play the game)

Chorus

Damned if I do, damned if I don't
Honesty is the hardest thing
Damned if I will, damned if i won't
Honesty is the hardest thing
I know, I know

Just thinking about it
Get chills running down my spine
you went too far this time
(went too far this time)
Cause I'm waiting for the sun to rise
and I'm staring at the blurry sky
All the things that I held inside
(will it ever gonna change)
(Never be the same)

Chorus

Damned if i do, damned if i don't
Honesty is the hardest thing
Damned if i will, damned if i won't
Honesty is the hardest thing

I take a look at my life
and I look how far I've come this time
But if it doesnt feel right
I'm gonna stop to walk the other way
Like my momma told me
Doesnt kill you or make you stronger
Will it ever be the same
This is how we play the game

I know just what I saw

I saw the shadows fall
I didnt see anything at all
it'll never be the same

Chorus

Damned if I do, damned if i don't
Honesty is the hardest thing
Damned if I will, damned if i won't
Honesty is the hardest thing

I saw the shadows fall
I know just what I saw
will it ever be the same
this is how we play the game
oh, damned
