I'm falling for you
I'm falling for you
I'm falling for you

I have got a sweet obsession
You have captured my attention
How am I gon' get me through the day?

Tried to get you out my mind
But damn, you creep in every time
Oh boy, I never thought I'd feel this way

[Chorus:]
'cause you got my head a-spinning just like a
Carousel
Thinking of you every minute, I know it's crazy
But true
I'm fa-la-la-la-falling for you
Kind of like a constant craving, I'm underneath
Your spell
Baby there ain't no escaping; I know it's crazy
But true
Fa-la-la-la-falling for you

Why'd you have to touch me like you do?
You know there's no resisting you
I feel a shiver every time

I'm saying whoa! Baby, what you doing to me?
Out of control! And it's taking over me
Gotta let you know! I ain't gonna give up till
You're mine

[Chorus:]
'cause you got my head a-spinning just like a
Carousel
Thinking of you every minute, I know it's crazy
But true
I'm fa-la-la-la-falling for you
Kind of like a constant craving, I'm underneath
Your spell
Baby there ain't no escaping; I know it's crazy

But true
Fa-la-la-la-falling for you
You got me falling for you baby
And I don't know what I'm gon' do
You got me crawling; I'm falling falling falling
For you
You got me falling for you baby
And I don't know what I'm gon' do
You got me crawling I'm falling falling falling for you

[Chorus:]

'cause you got my head a-spinning just like a
Carousel
Thinking of you every minute, I know it's crazy
But true
I'm fa-la-la-la-falling for you
Kind of like a constant craving, I'm underneath
Your spell
Baby there ain't no escaping; I know it's crazy
But true
Fa-la-la-la-falling for you

You got me falling for you baby
And I don't know what I'm gon' do
You got me crawling; I'm falling falling falling
For you
You got me falling for you baby
And I don't know what I'm gon' do
You got me crawling I'm falling falling falling for you

[Chorus:]

You got me falling for you baby
And I don't know what I'm gon' do
You got me crawling; I'm falling falling falling
For you
You got me falling for you baby
And I don't know what I'm gon' do
You got me crawling I'm falling falling falling for you

I'm falling for you
I'm falling for you
