If I could turn to you,  
You know I am dying to  
The night could turn to day

But all the days just seem so long,  
So where did I go wrong  
There's more I have to say.

I made a mistake, I am human you know.  
What bullet take,  
I know I've got no more chances all  
I am on my knees, I'm sorry

I wallow the pain, I swallow my cry.  
I swallow the sea of tears.  
You cry for me... I'm sorry

Last night how was the sleep,  
And you were next to me.  
I saw he turned the smile.  
But all I opened my eyes,  
And did I explain of life.  
I feel my own heart broken.

I made a mistake. I am human you know  
What bullet take,  
I know I've got no more chances all  
I am on my knees, I'm sorry

I wallow the pain, I swallow my cry.  
I swallow the sea of tears.  
You cry for me... I'm sorry

All is all my mind  
A million reasons why  
I cannot believe your love has passed me by

I made a mistake. I am human you know  
What bullet take,  
I know I've got no more chances all  
I am on my knees, I'm sorry

I wallow the pain, I swallow my cry.  
I swallow the sea of tears.  
That you cry for me... I'm sorry
