So many times you have seen me around
And when you've seen me you'll know what I'm about
I'm not the type of girl who cares what you think
I choose to swim when all the others just sink

The one thing that's true
Is I ain't gonna be nobody's fool
But you, you're the only one that ever got me
And you, got me feeling like that
And you, like a bullet in my heart that shot me right
down, boy
And I can't get enough of that
So if you're ready we can take it real slow
Now that I told you what I want you to know
I'm waiting patiently for you to agree
And if you're clever then you'll know what I mean
There's one thing you need
And I'm about to show you how it feels
But you, you're the only one that ever got me
And you, got me feeling like that
And you, like a bullet in my heart that shot me right
down, boy
And I can't get enough of that
I don't know what it is that you do to me baby
If you knew would you tell me that you feel the same
way that I do
But you, you're the only one that ever got me
And you, got me feeling like that
And you, like a bullet in my heart that shot me right
down, boy
And I can't get enough of that
But you, you're the only one that ever got me
And you, got me feeling like that
And you, like a bullet in my heart that shot me right
down, boy
And I can't get enough of that
