YeahÂ....
ThatÂ's right
Hmmmmm
Looks like the sun wonÂ't come out today
But the weather man said thereÂ's no chance of rain,
Every once in a while, you need to get away
Feels like voodoo dolls and prank calls everyday, yeah

But I believe that weÂ're meant to fly
Come with me, baby donÂ't hide
All your hopes and all your fears are safe out here
tonight
Cuz I believe that weÂ're meant to fly
So come on lets ride.. oooo.

Sounds like the birds have stop singing.. yeah
The cold winds must have come and taken them, yeah,
yeah
But all you want is to sing along
And bring them back again
Its all detours red lights and dead end.

And I believe that weÂ're meant to fly

Come with me, baby donÂ't hide
All your hopes and all your fears are safe out here
tonight
And I believe that weÂ're meant to fly,
Come on

I'll take you to a place that no oneÂ's ever been before
WeÂ're hanging on too long and time has come to let
go..
You got to let go, oh yeahh yeahh yeahh

And I believe that weÂ're meant to fly
Cause I believe
Come with me baby, don't cry
Ooooo (weÂ're meant to fly)

All your hopes and all your fears are safe out here
tonight

Cause I believe that we were meant to fly
Cause I believe, cause I believe, cause I believe
WeÂ're meant to fly, that weÂ're meant to fly
Ooooooo
WeÂ're meant, weÂ're meant to fly
