The darkened day  
Clouded skies lay low  
Silence spreads across  
The city street lights  
The endless rain  
Sneaking through the sky  
Drenches my face  
As I walk down the street

If I ask the sky  
(If I ask the sky)  
Will it end the rain  
(Will it end the rain)  
Can the sun break through  
(Can the sun break through)  
Brighten up the day  
(Brighten up the day)

The tearful eye  
Stares into the night  
Trying to forget  
Yesterday's sorrow  
Saying goodbye  
To someone you know  
Lonesome solitude  
In the darkness

If I ask the sky  
(If I ask the sky)  
Will it end the rain  
(Will it end the rain)  
Can the sun break through  
(Can the sun break through)  
Brighten up the day  
(Brighten up the day)

If I go back in time  
Can I fix the mistakes  
Will the madness end  
Will it end the rain  
La la la la la la la

La la la la la la la  
La la la la la la la  
La la la la la la la  
La la la la la la la

If I ask the sky  
(If I ask the sky)  
Will it end the rain  
(Will it end the rain)  
Can the sun break through  
(Can the sun break through)  
Brighten up the day  
(Brighten up the day)

If I go back in time  
Can I fix the mistakes  
Will the madness end  
Will it end the rain

If I ask the sky  
(If I ask the sky)  
Will it end the rain  
(Will it end the rain)  
Can the sun break through  
(Can the sun break through)  
Brighten up the day  
(Brighten up the day)

If I go back in time  
Can I fix the mistakes  
Will the madness end  
Will it end the rain
