Open your eyes  
I'm not far away  
It won't be too much longer  
Till I'm in your arms again  
Oh to be with you  
To be with you forever

When we're apart  
I think of you and I  
And those summer nights by the lakeside  
I'd stare into your eyes  
Oh to see through you  
To see through you forever

Now now I won't ever be alone  
Now now I won't ever be alone  
'Cause your love's inside of me  
And your heart is in my soul  
I won't ever be alone

A winter storm freezes my heart  
Until I'm there with you again  
I can't break the ice apart  
Oh to be with you  
To be with you forever yeah

Now now I won't ever be alone  
Now now I won't ever be alone  
'Cause your love's inside of me  
And your heart is in my soul  
I won't ever be alone

Now now I won't ever be alone  
Now now I won't ever be alone  
'Cause your love's inside of me  
And your heart is in my soul  
I won't ever be alone

I won't ever be  
I won't ever be alone  
No no no
