Sunday morning the day begins
I look outside the rain has ended
The sun is out the moon has changed
Here we are smiling again
Late last night I had a dream
Someone stole you away from me
I couldn't figure out what to do
There wasn't any future without you
You and I our feelings change
As time goes by and memories fade
Years from now when the tide turns cold
I hope I see you

Oh laugh with me (oh won't you laugh)
(Oh won't you laugh)
Laugh with me (oh won't you laugh)
(Oh won't you laugh)
Always together (oh won't you laugh)
(Oh won't you laugh)
Laugh with me (oh won't you laugh)
(Oh won't you laugh)
The day moves on darkness overcomes
I finally bid farewell to the sun
I look across and watch you fall asleep
Think of what you mean to me
You and I our feelings full
As life goes on and time grows slow
Years from now when the air grows cold
I hope I see you

Oh laugh with me (oh won't you laugh)
(Oh won't you laugh)
Laugh with me (oh won't you laugh)
(Oh won't you laugh)
Always together (oh won't you laugh)
Laugh with me (oh won't you laugh)
Oh won't you laugh with me (oh won't you laugh)
(Oh won't you laugh)
Laugh with me (oh won't you laugh)
(Oh won't you laugh)
Always together (oh won't you laugh)

Laugh with me (oh won't you laugh)

Won't you laugh
Oh won't you laugh with me
Oh won't you laugh
Oh won't you laugh with me
Won't you laugh
Oh won't you laugh with me
Oh won't you laugh
Oh won't you laugh with me yeah
Doo-doo-doo-doo
Oh won't you laugh with me
Oh oh oh yeah
