For you there'll be no crying  
For you the sun will be shining  
'Cause I feel that when I'm with you  
It's alright, I know it's right

And the songbirds keep singing  
Like they know the score  
And I love you, I love you  
I love you like never before

To you, I would give the world  
To you, I'd never be cold  
'Cause I feel that when I'm with you  
It's alright, I know it's right

And the songbirds keep singing  
Like they know the score  
And I love you, I love you  
I love you like never before  
Like never before, like never before
