I don't know why I love you like I do  
After all the changes you put me through?  
Stole my money, my cigarettes  
I haven't seen the worst of it yet

I wanna know boy, won't you tell me  
Tell me, how can I stay here with you?

Won't you take me to the river?  
Wash me down  
Take me to the river  
Put my feet back on the ground, yeah

I don't know why you treat me so bad  
After all the good times that we've had?  
You're sixteen candles that burn on my wall  
Now who's the biggest fool of us all

I wanna know, won't you tell me  
Tell me, how can I stay here with you?

Won't you take me to the river?  
Wash me down  
Take me to the river  
Put my feet back on the ground, yeah

Hold me, squeeze me, love me  
And you can tease me  
Till I can't take it no more  
Oh yeah, yeah, yeah

I don't know why I love you like I do  
After all the changes you put me through?  
Love is a notion I can't forget  
My sweet sixteen, I would never regret

I wanna know, won't you tell me  
Tell me, how can I stay here with you?

Won't you take me to the river?  
Wash me down  
Take me to the river

Put my feet back on the ground, yeah

Take me to the river

Wash me down

Won't you take me to the river

Put my feet back on the ground, yeah
