The water is wide, I cannot get over  
And neither have I wings to fly  
Give me a boat that can carry two  
And both shall row my love and I

Oh, love is handsome and love is fine  
And love's a jewel when it's first new  
But love grows old and waxes cold  
And fades away like morning dew

There is a ship, it's sailing the sea  
It's loaded deep as deep can be  
But not so deep as my love for him  
I know not if I sink or swim

The water is wide, I cannot get over  
And neither have I wings to fly  
Give me a boat that can carry two  
And both shall row my love and I  
And both shall row my love and I
