love of my life
my soul mate
your my bestfriend
part of me let breathing
now half of me is left
i dont know anything, at all
who am i to say, you love me..
i dont know anything, at all
and who am i to say you need me..
color me blue, im lost in you
dont know why im still waiting
many moods have come and gone
dont know why im still searching
dont know anything at all..
and who am i to say you love me..
dont know anything, at all
and who am i to say you need me
hmmm..... hmm.. hmmm... uh oh yaa...
huhh... oohh...
now your a song i loved to sing
never thought it would feel so free
now i know whats meant to be
and thats okay with me
but who am i to say you love me
and who am i to say you need me
and who am i to say you would love me
hmm... hm
dont know anything, at all.
and who am i to say you love me
dont know anything, at all.
and who am i to say you need me
dont know anything, at all.
i dont know anything, at all.
i dont know anything at all.
i dont know anything at all
