You've Changed

You've changed that sparkle in your eye is gone
Your smile is just a careless yawn
It's all over now you've changed
You've changed; your kisses now are so blasÃ©
You're bored with me in everyway
Your breaking my heart you've changed
You've forgotten the words I love you
Each memory that we share
You ignore every star above you
I can't realise that you ever cared
You've changed
You're not the angel I once knew
No need to tell me that we're through
It's all over now you've changed
You've forgotten the words I love you
Each memory that we share
You ignore every star above you
I can't realise that you ever cared
You've changed the sparkle in your eye is gone
And your smile is just a careless yawn
It's all over now
You've changed; yes it's all over now
You've changed
